**PROXY STATEMENT
2016 ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 26, 2016**

The board of directors (the “Board of Directors”) of AxoGen, Inc. (the “Company”, “AxoGen”, “we” or “our”) is soliciting proxies for use at our 2016 Annual Meeting of Shareholders (the “Meeting”) to be held on Thursday, May 26, 2016 at 4:00 p.m. Eastern time at the Hyatt Regency Orlando International Airport, 9300 Jeff Fuqua Blvd., Orlando, Florida, USA 32827 in the Orly room and at any adjournment or postponement thereof. This Proxy Statement and the enclosed proxy card are first being mailed to shareholders on or about April 11, 2016.

Our Board of Directors has set Friday, April 1, 2016 as the record date for the Meeting. Each shareholder of record at the close of business on Friday, April 1, 2016 will be entitled to vote at the Meeting. As of the record date, 30,035,576 shares of our common stock were issued and outstanding and, therefore, eligible to vote at the Meeting. Holders of our common stock are entitled to one vote per share. Therefore, a total of 30,035,576 votes are entitled to be cast at the Meeting. There is no cumulative voting in the election of directors.

Shareholders who sign and return a proxy may revoke it at any time before it is voted at the Meeting by giving written notice to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717, Re: AxoGen, Inc., by submitting a duly executed proxy with a later date or by attending the Meeting in person or by internet and withdrawing your proxy. If your shares are held in the name of a bank or brokerage firm, you must obtain a proxy, executed in your favor, from the bank or broker, to be able to vote at the Meeting.

Expenses in connection with this solicitation of proxies will be paid by us. Proxies are being solicited primarily by mail. In addition, our officers and directors, who will receive no extra compensation for their services, may solicit proxies by telephone or personally. We also will request that brokers or other nominees who hold shares of our common stock in their names for the benefit of others forward proxy materials to, and obtain voting instructions from, the beneficial owners of such stock at our expense.

Proxies that are completed, signed and returned to us prior to the Meeting will be voted as specified. If no direction is given, the proxy will be voted FOR the election of the nominees for director named in this Proxy Statement, FOR the amendment and restatement of the AxoGen, Inc. 2010 Stock Incentive Plan (as amended and restated on September 27, 2011 and May 13, 2014), FOR the ratification of the appointment of Lurie, LLP (“Lurie”) as our independent registered public accounting firm for the year ending December 31, 2016, FOR the advisory approval of the compensation of the Company’s named executive officers as disclosed in this Proxy Statement, and FOR “EVERY 3 YEARS” as the preferred frequency of non-binding advisory votes to approve the compensation of the Company’s named executive officers and in accordance with the judgment of the persons named in the proxy as to any other matters that properly come before the Meeting.

If a shareholder abstains from voting as to any matter (or indicates a “withhold vote for” as to directors), then the shares held by such shareholder shall be deemed present at our Meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. Votes withheld from one or more director nominees will have no effect on the election of any director from whom votes are withheld. If a broker returns a “non-vote” proxy, indicating a lack of authority to vote on such matter, then the shares covered by such non-vote shall be deemed present at the Meeting for purposes of determining a quorum but shall not be deemed to be represented at the Meeting for purposes of calculating the vote with respect to such matters. A broker has discretionary authority to vote on the ratification of the appointment of Lurie as our independent registered public accounting firm even if the broker does not receive voting instructions from the shareholder. A broker does not have discretionary authority to vote on the other proposals without specific voting instruction from the shareholder. If you hold shares in a brokerage account and wish to vote those shares on these proposals, then you should instruct the broker how to vote the shares using the voting instructions provided.

Directors are elected by a plurality vote of the votes cast by the shareholders entitled to vote at the Meeting. A plurality vote means that the directors who receive the most votes in an election, though not necessarily a majority, will be elected.

The affirmative vote of a majority of the outstanding shares of AxoGen common stock entitled to vote and present in person or by proxy at the Meeting will be required to approve the amendment and restatement of the 2010 Plan. If you “Abstain” from voting, it will have the same effect as an “Against” vote. Broker non-votes will have no effect.

To be approved, the ratification of the appointment of Lurie as our independent registered public accounting firm must receive “For” votes from the holders of a majority of the shares either present in person or represented by proxy at the Meeting and entitled to vote on such proposal. If you “Abstain” from voting, it will have the same effect as an “Against” vote. Broker non-votes will have no effect.

The non-binding advisory approval of the compensation of our named executive officers will be considered to be approved if it receives “FOR” votes from the holders of a majority of the shares either present in person or represented by proxy and entitled to vote. If you “Abstain” from voting, it will have the same effect as an “Against” vote. Broker non-votes will have no effect.

For the non-binding advisory vote on the frequency of shareholder advisory votes on executive compensation, the frequency receiving the highest number of votes from the holders of shares either present in person or represented by proxy and entitled to vote will be considered the frequency preferred by the shareholders. Abstentions and broker non-votes will have no effect. Because this vote is non-binding, our Board of Directors may determine the frequency of future advisory votes on executive compensation in its discretion.

Our shareholders are not entitled to any appraisal or dissenters’ rights with respect to the matters to be acted upon at the Meeting.

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers and directors and persons who beneficially own more than 10% of our common stock to file initial reports of ownership and reports of changes in ownership with the SEC. Such executive officers, directors and greater than 10% beneficial owners are required by the regulations of the SEC to furnish us with copies of all Section 16(a) reports they file. Based solely on a review of the copies of such reports furnished to us and representations from our executive officers and directors, we believe that all Section 16(a) filing requirements applicable to our executive officers, directors and greater than 10% beneficial owners during 2015 have been satisfied.

CORPORATE GOVERNANCE

Director Independence

Our Board of Directors currently consists of seven directors: Karen Zaderej, Gregory G. Freitag, Jamie M. Grooms, Dr. Mark Gold, Guido J. Neels, Joseph Mandato and Robert J. Rudelius.

In determining whether our directors and director nominees are independent, we use the definition of independence provided in Rule 5605(a)(2) of the NASDAQ Stock Market's ("NASDAQ") Marketplace Rules. Under this definition of independence, Messrs. Grooms, Rudelius, Neels, Mandato and Dr. Gold are independent. Mr. Freitag and Ms. Zaderej are not independent because they serve as executive officers of the Company. Our Audit Committee members and Compensation Committee members also meet the heightened independence standards under the applicable NASDAQ rules.

Attendance at Meetings

Our Board of Directors held seven meetings during 2015 and each incumbent director attended at least 85 percent of the aggregate number of meetings held by our Board of Directors and all committees of our Board of Directors on which such director served. The Board of Directors also took other actions through discussion and written consents. All of our then current directors were in attendance in person at our 2015 Annual Meeting of Shareholders, except Joseph Mandato who joined by webcast. Members of our Board of Directors are encouraged to attend each annual meeting of shareholders.

Board Leadership Structure

Our Board of Directors is responsible for overseeing the business, property and affairs of AxoGen. Members of our Board of Directors are kept informed of our business through discussions with our CEO and other officers, by reviewing materials provided to them and by participating in meetings of our Board of Directors and its committees.

Our Board of Directors is currently composed of: (i) Karen Zaderej who also serves as our CEO and President, (ii) Gregory G. Freitag, who serves as our General Counsel and Senior Vice President of Business Development, (iii) Jamie M. Grooms, who serves as Chairman of our Board of Directors, and (iv) four other directors. Our Board of Directors does not have a policy regarding the separation of the roles of Chairman of our Board of Directors and CEO because our Board of Directors believes that the determination of whether to separate the roles depends largely upon the identity of the CEO and the members of our Board of Directors from time to time, that there is no single best organizational model that is the most effective in all circumstances and that the shareholders' interests are best served by allowing our Board of Directors to retain the flexibility to determine the optimal organizational structure for AxoGen at a given time. Currently, these roles are separate, although in years past they have been combined.

At this time, we believe that we, like many U.S. companies, are currently best served by having different individuals serve as our CEO and Chairman of our Board of Directors. Our Board of Directors believes that through this leadership structure, both Karen Zaderej and Jamie M. Grooms (our former CEO and current Chairman of our Board of Directors) are able to draw on their in-depth knowledge of the daily operations of AxoGen and its business and employment relationships to provide our Board of Directors with leadership in setting its agenda and properly focusing its discussions.

Risk Oversight by our Board of Directors

Our Board of Directors takes an active role in risk oversight related to AxoGen and primarily administers its role during Board of Director and Committee meetings. During regular meetings of our Board of Directors, members of our Board of Directors discuss the operating results for each fiscal quarter. These meetings allow the members of our Board of Directors to analyze any significant financial, operational, competitive, economic, regulatory and legal risks of our business model, as well as how effectively we implement our goals. During regular Audit Committee meetings, Audit Committee members discuss the financial results for the most recent fiscal quarter with our independent auditors and our CFO. Our Audit Committee also meets with, and provides guidance to, our independent auditors outside the presence of management and oversees and reviews with management the liquidity, capital needs and allocation of our capital, our funding needs and other finance matters. In addition, our Audit Committee reviews our legal and regulatory risks and our procedures regarding the receipt, retention and treatment of complaints regarding internal accounting, accounting controls or audit matters. These discussions and processes allow the members of our Audit Committee to analyze any significant risks that could materially impact the financial health of our business.

In furtherance of its risk oversight responsibilities, our Board of Directors has evaluated our overall compensation policies and practices for our employees to determine whether such policies and practices create incentives that could reasonably be expected to affect the risks faced by us and our management has further assessed whether any risks arising from these policies and practices are reasonably likely to have a material adverse effect on our company and has concluded that the risks arising from our policies and practices are not reasonably likely to have a material adverse effect on our company.

Board Committees

The standing committees of AxoGen's Board of Directors include an Audit Committee, a Compensation Committee and a Governance and Nominating Committee. Messrs. Rudelius (Chairman), Grooms and Dr. Gold are the members of the Audit Committee. Messrs. Neels (Chairman), Rudelius and Dr. Gold are members of the Compensation Committee. Dr. Gold (Chairman) and Messrs. Grooms, Mandato and Neels are members of the Governance and Nominating Committee. The Charters of each of the Audit Committee, the Compensation, and Governance and Nominating Committee can be found on our website under "Investors — Corporate Governance." The information contained on our website, or on other websites linked to our website, is not part of this document. Reference herein to our website is an inactive text reference only.

Audit Committee

The Audit Committee is responsible for review of audits, financial reporting and compliance, and accounting and internal controls policy. For audit services, the Audit Committee is responsible for the engagement and compensation of independent auditors, oversight of their activities and evaluation of their independence. The Audit Committee has instituted procedures for receiving reports of improper record keeping, accounting or disclosure. In the opinion of the AxoGen Board of Directors, each of the members of the Audit Committee has both business experience and an understanding of generally accepted accounting principles ("GAAP") and financial statements enabling them to effectively discharge their responsibilities as members of the Audit Committee. Moreover, the AxoGen Board of Directors has determined that each of Messrs. Rudelius, Grooms and Dr. Gold is an "audit committee financial expert" as such term is defined in Item 407(d)(5) of Regulation S-K promulgated by the SEC. Our Audit Committee held six meetings during 2015.

A current copy of the Company's Audit Committee charter, which has been adopted by our Board of Directors, is available online at <http://ir.axogeninc.com/governance-docs>.

Compensation Committee

Our Compensation Committee determines and periodically evaluates the various levels and methods of compensation for our directors, officers and employees, and is responsible for establishing executive compensation and administering AxoGen's Incentive Compensation Plan. Our Compensation Committee held five meetings during 2015 and took other actions through discussion and written consents.

Under its charter, our Compensation Committee's duties and responsibilities include, without limitation: (i) periodically review our compensation philosophy and the design of our compensation programs; (ii) establish and oversee our compensation plans; (iii) recommend to our Board of Directors a compensation and benefit package for directors; (iv) at least annually, establish and review our CEO's management objectives, conduct the CEO's performance evaluation and communicate the outcomes to our Board of Directors; (v) review and approve payouts to participants as proposed by our CEO under our compensation plans; (vi) review and approve, for our CEO and our other executive officers and senior managers, when and if appropriate, employment agreements, severance agreements, change in control provisions/agreements and any severance or similar termination payments proposed to be made to any of our current or former executive officers; (vii) in consultation with senior management, oversee regulatory compliance with respect to compensation matters; and (viii) prepare the annual report on executive compensation required to be included in our annual proxy statement. Our executive officers do not play a formal role in determining their compensation.

In September 2013 and in November 2015, our Compensation Committee engaged Setren, Smallberg & Associates, Inc. ("Setren"), a compensation consultant, for the purpose of advising upon executive and director compensation for 2014 and 2016, respectively. The Compensation Committee has reviewed the independence of Setren's advisory role relative to the six consultant independence factors adopted by the SEC to guide listed companies in determining the independence of their compensation consultants, legal counsel and other advisors. Following its review, the Compensation Committee concluded that Setren has no conflicts of interest, and provides the Compensation Committee with objective and independent executive compensation advisory services.

Setren was engaged to provide the AxoGen Compensation Committee with a thorough analysis of AxoGen's executive officers, officers and Board of Director Compensation focusing on all compensation components including base salary, bonus, equity, Board of Director retainers and fees and committee fees. Setren conducted a thorough proxy review of AxoGen's most relevant comparator companies, and analyzed base salary, bonus, equity, retainers, and all other compensation components in relation to AxoGen's peer group. In addition, as part of Setren's compensation analysis, it reviewed the equity holdings of executive officers, officers and the Board of Directors by reviewing a three-year actual and average Black Scholes equity analysis for each of the individuals within these groups to assess the relative value of the AxoGen equity granted and held in relation to its peer group.

As a result of Setren's analysis the Compensation Committee suggested compensation of AxoGen executive officers, officers and Board of Directors, which suggestions were adopted by the Compensation Committee and took effect for the fiscal year 2016.

Governance and Nominating Committee

The Governance and Nominating Committee is responsible for providing oversight in relation to the corporate governance of AxoGen and also identifies director nominees for election to fill vacancies on our Board of Directors. Nominees are approved by the AxoGen Board of Directors on recommendation of the Governance and Nominating Committee. In evaluating nominees, the Governance and Nominating Committee particularly seeks candidates of high ethical character with significant business experience at the senior management level who have the time and energy to attend to board responsibilities. Candidates should also satisfy such other particular requirements that the Governance and Nominating Committee may consider important to AxoGen's business at the time. When a vacancy occurs on the AxoGen Board of Directors, the Governance and Nominating Committee will consider nominees from all sources, including shareholders, nominees recommended by other parties, and candidates known to the directors or AxoGen's management. The best candidate from all evaluated will be recommended to the AxoGen Board of Directors to consider for nomination. Shareholders who wish to recommend candidates for consideration as nominees should on or before January 1 of each year furnish in writing detailed biographical information concerning the candidate to the Governance and Nominating Committee addressed to the Corporate Secretary of AxoGen at 13631 Progress Blvd., Suite 400, Alachua, FL 32615. No material changes have been made to the procedures by which shareholders may recommend nominees to AxoGen's Board of Directors. Our Governance and Nominating Committee held three meetings during 2015, and it informally discussed items as they may have occurred to determine if action was necessary.

Director Nominations

Director nominees are approved by our Board of Directors on recommendation of our Governance and Nominating Committee. In evaluating nominees, our Governance and Nominating Committee particularly seeks candidates of high ethical character with significant business experience at the senior management level who have the time and energy to attend to board responsibilities. Candidates should also satisfy such other particular requirements that our Governance and Nominating Committee may consider important to our business at the time. In accordance with our Governance and Nominating Committee charter and policies included therein, characteristics expected of all directors should include independence, integrity, high personal and professional ethics, sound business judgment, and the ability and willingness to commit sufficient time to our Board of Directors. In evaluating the suitability of individual directors, our Board of Directors takes into account many factors, including: (i) general understanding of marketing, finance, and other disciplines relevant to the success of a small publicly traded medical device company in today's business environment; (ii) understanding of the Company's business and technology; (iii) educational and professional background; (iv) personal accomplishment; and (v) geographic, gender, age, and ethnic diversity. Our Board of Directors evaluates each individual in the context of our Board of Directors as a whole, with the objective of recommending a group that can best perpetuate the success of the Company's business and represent shareholder interests through the exercise of sound judgment, using its diversity of experience.

In addition, in accordance with our Governance and Nominating Committee charter and policies included therein, when a vacancy occurs on our Board of Directors, our Governance and Nominating Committee will consider nominees from all sources, including shareholders, nominees recommended by other parties, and candidates known to our directors or our management. The best candidate(s) from all evaluated will be recommended to our Board of Directors to consider for nomination.

Shareholders wishing to recommend a director nominee to our Governance and Nominating Committee may do so by sending to our Governance and Nominating Committee the following information: (i) name of the candidate and a brief biographical sketch and resume; (ii) contact information for the candidate and a document evidencing the candidate's willingness to serve as a director if elected; and (iii) a signed statement as to the submitting shareholder's current status as a shareholder and the number of shares currently held. No candidates for director nominations were submitted to our Governance and Nominating Committee by any shareholder in connection with our 2016 Annual Meeting of Shareholders. Such recommendation should be addressed to Governance and Nominating Committee, c/o General Counsel, AxoGen, Inc., 13631 Progress Blvd., Suite 400, Alachua, FL 32615.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

One of our directors, Joseph Mandato, is a Managing Director of De Novo Ventures II, L.P. which is a shareholder of the Company. One of our directors, Guido J. Neels, is a manager of the General Partner of Essex Woodlands Fund IX, L.P. which is a greater than 15% shareholder of the Company’s common stock. In accordance with our Audit Committee Charter, our Audit Committee reviews and approves (with the concurrence of a majority of the disinterested members of our Board of Directors) any related-party and affiliated-party transactions. Our Code of Ethics generally addresses such situations as to conflicts of interest and is the starting basis for disclosure and review. The Code of Ethics provides that a conflict situation can arise when an employee or officer takes actions or has interests that may make it difficult to perform his or her Company work objectively and effectively. Conflicts of interest may also arise when an employee or officer, or a member of his or her family, receives improper personal benefits as a result of his or her position in the Company. Loans to, or guarantees of obligations of, employees and officers and their family members by the Company may create conflicts of interest.

In addition, the Code of Ethics provides that all related person transactions that meet the minimum threshold for disclosure in a proxy statement under the relevant SEC rules must be reported to and approved by the Audit Committee. Company officers and directors are required to bring promptly to the attention of our CFO or General Counsel any transaction or series of transactions that may result in a conflict of interest between that person and the Company. The Company CFO on a continuous basis, and annually, reviews with Company accounting personnel any situations that appear to have a conflict. Following any disclosure or discovery, our CFO or General Counsel will then review with the Chairman of our Audit Committee the relevant facts disclosed by the officer or director in question or the uncovered situation. After this review, the Chairman of the Audit Committee and the CFO or General Counsel determines whether the matter should be brought to the Audit Committee or the full Board of Directors for approval. In considering any such transaction, the Audit Committee or the Board of Directors, as the case may be, will consider various relevant factors, including, among others, the reasoning for the Company to engage in the transaction, whether the terms of the transaction are arm's length and the overall fairness of the transaction to the Company. If a member of the Audit Committee or the Board of Directors is involved in the transaction, he or she will not participate in any of the discussions or decisions about the transaction. The transaction must be approved in advance whenever practicable, and if not practicable, must be ratified as promptly as practicable.

Employment Agreements

AC is a party to employment agreements with each of (i) Karen Zaderej, effective October 15, 2007 and as amended September 29, 2011, (ii) Gregory G. Freitag, effective October 1, 2011 and as amended May 11, 2014, (iii) Shawn McCarrey, effective February 25, 2013, and (iv) Lee Robert Johnston, Jr., effective May 12, 2014. Ms. Zaderej’s employment agreement renews for a one year period on each anniversary of the effective date and provide for severance benefits upon termination of the executive officer’s employment: (i) by AxoGen for any reason other than “substantial cause” (as defined below), permanent disability, or death; (ii) by the executive officer due to AxoGen’s breach of the employment agreement and AxoGen’s failure to cure such breach within ten days following notice by the executive officer of such breach; or (iii) by the executive officer within the six months following a “change in control” (as defined below) of AxoGen.

Upon a termination of Ms. Zaderej’s employment for any of the reasons set forth above, Ms. Zaderej is entitled to base salary in an amount equal to the base salary that she would have been paid for the remainder of the then current employment period had the executive officer’s employment not been terminated or the one-year non-competition period, whichever is longer. Ms. Zaderej is entitled to continued medical and dental benefits (in the form of a reimbursement for the COBRA premiums) and continued bonus payments to which the executive officer would have been entitled for the remainder of the then current employment period had the executive officer’s employment not been terminated.

Table of Contents

Under their respective employment agreements, Messrs. Freitag, McCarrey and Johnston's employments are at will. In the event that the employment of Messrs. Freitag, McCarrey or Johnston is terminated by AC without substantial cause either prior to a change of control or within 180 days following a change in control, the terminated employee is entitled to a severance payment consisting of (i) twelve months of base salary and (ii) an amount equal to any bonuses paid during the twelve-month period prior to termination of employment. Messrs. Freitag, McCarrey, and Johnston are also entitled to severance of twelve months of base salary if the terminated employee leaves AxoGen for "good reason" (as defined below) within 90 days following a change of control.

In addition, Ms. Zaderej is entitled to full vesting of her outstanding stock options that were granted prior to a merger upon a change in control, regardless of whether her employment terminates on or following the change in control. With respect to Ms. Zaderej's, and Messrs. Freitag's and McCarrey's post-merger stock options, if a change in control of AxoGen occurs, such options shall automatically accelerate and become fully exercisable in the event that within twelve months following the change in control they are terminated without cause or leave for good reason.

For purposes of each executive officer's employment agreements, "change in control" means the occurrence of any of the following events:

- ⌚ any person who holds less than 20% of the combined voting power of the securities of AC or AxoGen, becomes the beneficial owner, directly or indirectly, of securities of AC or AxoGen, representing 50% or more of the combined voting power of the securities of AC or AxoGen then outstanding;
- ⌚ during any period of 24 consecutive months, individuals who at the beginning of such period constitute all members of the AxoGen's Board of Directors cease, for any reason, to constitute at least a majority of our Board of Directors, unless the election of each director who was not a director at the beginning of the period was either nominated for election by, or was approved by a vote of, at least two-thirds of the directors then still in office who were directors at the beginning of the period;
- ⌚ Except as it relates to Ms. Zaderej employment agreement, AC or AxoGen consolidates or merges with another company and AC or AxoGen is not the continuing or surviving corporation; *provided, however*, that any consolidation or merger whereby AxoGen continues as the majority holder of AC securities or a merger or consolidation of AC and AxoGen will not constitute a change in control;
- ⌚ shares of AC's or AxoGen's common stock are converted into cash, securities, or other property (other than by a merger set forth in (iii) above) in which the holders of the AC's or AxoGen's common stock immediately prior to the merger have the same proportionate ownership of common stock of the surviving corporation as immediately after the merger;
- ⌚ AC or AxoGen sells, leases, exchanges, or otherwise transfers all or substantially all of its assets (in one transaction or in a series of related transactions); or
- ⌚ the holders of AxoGen's common stock approve a plan or proposal for the liquidation or dissolution of AC or AxoGen.

For purposes of Ms. Zaderej's and Messrs. Freitag's, McCarrey's and Johnston's employment agreements, "substantial cause" means:

- ⌚ commission of any act of fraud, theft, or embezzlement;
- ⌚ material breach of the employment agreement, provided that AC shall have first delivered to the executive officer written notice of the alleged breach, specifying the exact nature of the breach in detail, and provided, further, that the executive officer shall have failed to cure or substantially mitigate such breach within ten days after receiving such written notice;
- ⌚ commission or conviction of any felony, or of any misdemeanor involving moral turpitude, or entry of a plea of guilty or nolo contendere to any felony or misdemeanor; or

- ⌚ material failure to adhere to AC's corporate codes, policies or procedures which have been adopted in good faith for a valid business purpose as in effect from time to time.

For Ms. Zaderej's and Messrs. Freitag's, and McCarrey's employment agreements, "substantial cause" also means the failure to meet reasonable performance standards as determined by AC, which for Mr. McCarrey includes the failure of gross revenue in a calendar quarter to exceed 80% of budgeted gross revenue.

For purposes of Mr. Johnston's employment agreement, "substantial cause" also includes his failure to perform substantially the material duties of his management position in a competent manner (after notice and opportunity to cure within fifteen days, except in cases where cure would necessarily take longer than fifteen days, in which case, all possible steps toward effecting such cure must be taken by the executive within the fifteen day period and completion of such cure diligently completed within no more than 60 days).

For purposes of Messrs. Freitag's, Johnston's and McCarrey's employment agreements, "good reason" means the occurrence of any one or more of the following:

- ⌚ the assignment of any duties inconsistent in any respect with such executive officer's position (including status, offices, titles, and reporting requirements), authorities, duties, or other responsibilities as in effect immediately prior to a change of control or any other action by AxoGen which results in a diminishment in such position, authority, duties, or responsibilities, other than an insubstantial and inadvertent action which is remedied by AxoGen;
- ⌚ a reduction by AC in the person's base salary; or
- ⌚ the failure by AC to (A) continue in effect any material compensation or benefit plan, program, policy or practice in which the person was participating at the time of the change of control of AxoGen or (B) provide the person with compensation and benefits at least equal (in terms of benefit levels and/or reward opportunities) to those provided for under each employee benefit plan, program, policy and practice as in effect immediately prior to the change in control (or as in effect following the Change in Control of the Company), if greater.

For purposes of Mr. Johnston's agreement, "good reason" also includes a requirement to perform a substantial portion of his duties at a facility that is more than 50 miles from the facility for which he performed a substantial portion of his duties immediately prior to the Change of Control.

Mr. Johnston's employment was terminated with AC effective August 6, 2015.

Compensation Arrangements

On December 28, 2015, the Board of Directors of the Company approved recommendations of the Company's Compensation Committee regarding certain Company compensation matters as follows:

1. 2015 Merit Stock Option Awards were granted to members of the Company's leadership team, including the Karen Zaderej, CEO and President, Gregory G. Freitag, CFO, General Counsel and SVP Business Development and Shawn McCarrey, SVP Sales ("Executive Officers"). The Merit Stock Option Awards were in the form of incentive stock options, granted pursuant to the 2010 Plan. All of the granted options have a seven-year term and an exercise price of \$5.09 per share, which was the closing price of the common stock as reported on the NASDAQ Capital Market on December 28, 2015 (representing the fair market value of the common stock on the grant date), and vest as to 25% of option shares one year after the grant and then as to 12.5% every six months thereafter until fully vested. The option is not exercisable until such time as the number of shares reserved for issuance under the 2010 Plan has been increased by an affirmative vote of the shareholders of AxoGen in an amount that exceeds the shares of Common Stock issuable upon exercise of the option and all other options containing this provision granted prior to such shareholder vote. In the event that an affirmative vote is not obtained from the shareholders of AxoGen to increase the number of shares reserved under issuance under the 2010 Plan, the option will be forfeited and deemed null and void.

2. The 2016 Bonus Award Plan was established for the Company's leadership team, including the Executive Officers except Shaw McCarrey, based upon meeting certain established corporate key objectives (the "Key Objectives") and a final determination by the Board of Directors, in its sole discretion, that any such bonus is appropriate based upon 2016 performance. The Key Objectives relate to: (1) revenue, gross profit margin, expense management and certain operational goals, (2) have established thresholds and target levels; and (3) are weighted and measured separately in terms of actual level of attainment. The amount of any such bonus for a particular eligible officer is based upon an assigned percentage of such officer's 2016 base salary. Mr. McCarry is not included in the 2016 Bonus Award Plan. He has a commission program whereby he receives, in addition to his base salary, a percentage of 2016 monthly U.S. and Canadian revenue and an additional amount based on a percentage of the difference between such monthly revenue compare to the same month in 2015.

Say-on-Pay Vote

At our 2013 Annual Meeting of Shareholders, we asked our shareholders to vote to approve, on an advisory basis, the 2013 compensation paid to our named executive officers, commonly referred to as a say-on-pay vote. Our shareholders approved compensation to our named executive officers with over 95 percent of votes cast in favor of our say-on-pay resolution. The Compensation Committee believes this vote demonstrated our shareholders' positive view of our executive compensation. The Compensation Committee intends to continue to consider the results of future say-on-pay votes. In addition, at the 2013 Annual Meeting of Shareholders, our shareholders recommended, on an advisory basis, that the frequency of our future say-on-pay vote be once every three years. Based on this shareholder recommendation, we are conducting our say-on-pay vote at our 2016 Annual Meeting of Shareholders.

Pension Benefits

AxoGen adopted the AxoGen SIMPLE IRA plan in 2007. The AxoGen named executive officers participate in the SIMPLE IRA plan. Eligibility is immediate upon employment, and enrollment is available any time during employment. Participating employees may make annual pretax contributions to their accounts up to a maximum amount as limited by law. The SIMPLE IRA plan requires AxoGen to make matching contributions of between 1% and 3% of the employee's annual salary as long as the employee participates in the SIMPLE IRA plan. Additionally, the matching contribution has to be at least 3% for three of the first five years of the SIMPLE IRA. Both employee contributions and AxoGen contributions are fully vested at all times. In 2015 and 2014, AxoGen's matching contribution was 3% of the AxoGen named executive officers' annual base salary. AxoGen contributed approximately \$25,000 and \$32,000 in matching funds for the AxoGen named executive officers during 2015 and 2014, respectively.

AxoGen terminated the SIMPLE IRA plan at the end of 2015 and established a 401(k) plan. Each of the AxoGen named executive officers participate in the 401(k) plan. Employees are eligible to participate in the 401(k) plan immediately upon commencing employment, and enrollment is available any time during employment. Participating employees may make annual pretax contributions to their accounts up to a maximum amount as limited by law. The 401(k) plan requires AxoGen to make matching contributions of between 3% and 4% of the employee's annual salary as long as the employee participates in the 401(k) plan. Both employee contributions and AxoGen contributions are fully vested at all times.

PROPOSAL 2 - APPROVAL OF AMENDMENT AND RESTATEMENT OF THE AXOGEN, INC. 2010 STOCK INCENTIVE PLAN

The 2010 Plan was adopted by the AxoGen Board of Directors on August 16, 2010 and approved by the AxoGen shareholders on September 22, 2010, with approval of certain amendments and restatements of the 2010 Plan by the AxoGen shareholders on September 27, 2011 and May 13, 2014.

On March 23, 2016, our Board of Directors unanimously approved an amendment and restatement of the 2010 Plan to (i) increase the maximum number of shares of common stock that may be issued under the A&R 2010 Plan from 3,500,000 to 5,500,000, (ii) approve the award limits and other terms applicable to awards intended to qualify as "performance-based compensation" for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended, (iii) extend the duration of the plan to 2026; and (iv) make certain administrative changes. Our Board of Directors approved the increase in the number of shares reserved and available for issuance under the A&R 2010 Plan subject to shareholder approval and, accordingly, our Board of Directors directed that the amendment and restatement of the 2010 Plan be submitted to our shareholders for approval at the Meeting.

The 2010 Plan currently authorizes 3,500,000 shares as the maximum aggregate number of shares that may be issued to employees, nonemployee directors, consultants and advisors of AxoGen and its subsidiaries who are participating in the 2010 Plan. If the shareholders do not approve this amendment and restatement of the 2010 Plan at the Meeting, the amendment to increase the maximum aggregate number of shares of common stock that may be issued under the A&R 2010 Plan from 3,500,000 shares to 5,500,000 shares will not be effective and certain contingent grants as described below will be null and void.

As of March 23, 2016, the Company had 3,641,658 shares subject to outstanding awards, including 739,000 shares exercisable under granted stock options that are not exercisable until such time as the number of shares reserved for issuance under the 2010 Plan, as amended and restated, have been increased by an affirmative vote of the shareholders of

the Company to increase the current reserve in the 2010 plan (the “Contingent Options”), Such 3,641,658 options, including Contingent Options, outstanding have a weighted average exercise price of \$3.63 and a weighted average remaining term of 5.46 years. As of March 23, 2016, 1,977,912 fully vested, nonforfeitable shares have been issued under the 2010 Plan, which include 516,050 shares due to option exercises. As of March 23, 2016 the total shares that have been issued or that could potentially be issued as a result of grants of options under the 2010 Plan is 3,418,720, leaving 81,290 shares reserved and available for issuance out of the maximum of 3,500,000 shares currently authorized for issuance, excluding the 739,000 shares exercisable pursuant to the Contingent Options.

Our Board of Directors believes that the current number of shares that may be issued under the 2010 Plan is not sufficient in light of our compensation structure and strategy. No shares will remain available under our 2010 Plan after hiring new employees through third quarter of 2015⁴. The Board believes that additional shares are necessary to meet the Company’s anticipated equity compensation needs for approximately the next two to three years. However, a change in business conditions, Company strategy, the growth of our businesses, organically and by acquisitions, or equity market performance, could alter this projection. This estimate is based on a forecast that takes into account our anticipated rate of growth in hiring, an estimated range of our stock price over time and our historical forfeiture rates. In determining the amount of the increase contemplated by the proposed amendment to the 2010 Plan, the Board has taken into consideration the fact that, as of March 23, 2016, there were approximately 32,983,078 shares of our common stock outstanding on a fully-diluted basis, and the Board believes that this fully-diluted number, rather than the number of our outstanding shares of the Company, is the relevant number in determining the appropriate number of shares available under the 2010 Plan. If the Board approves the A&R 2010 Plan, the number of shares available for issuance under the 2010 Plan would increase by 2,000,000 to 5,500,000 shares. The requested increase represents approximately 5.9%⁵ of the outstanding shares of common stock on a fully-diluted basis and the total number of shares available for issuance under the A&R 2010 Plan would represent approximately 16.3% of our common stock as calculated on a fully-diluted basis. Total potential dilution (as a percentage of shares of our common stock outstanding) associated with the 2,000,000 additional shares of our common stock to be authorized under the A&R 2010 Plan plus the 3,500,000 shares subject to outstanding awards under the 2010 Plan (as of March 23, 2016) is 15.7%.

Our historical burn rates have been 1.8% in 2013, 5.3% in 2014 and 3.3% in 2015, calculated by dividing the number of shares issuable pursuant to equity awards granted during the fiscal year by the weighted-average number of shares outstanding during the period. When the Board approved the 2010 Plan in 2014, we projected that the number of authorized shares under the 2010 Plan would meet our equity compensation needs for eighteen to twenty-four months. Further, we have had an unanticipated increase in our rate of growth in hiring due to the Company’s growth which required us to issue more awards than were contemplated by our equity compensation projections. The historical burn rate and the potential dilution described above may not be indicative of what the actual amounts are in the future. Without additional shares, we would be at a competitive disadvantage in seeking to retain and to recruit officers and other key employees and directors on whose efforts and skills our future success will depend.

Our Board of Directors has concluded that our ability to attract, retain and motivate top quality employees, non-employee directors, and consultants and advisors is important to our success and would be enhanced by our continued ability to make grants under the A&R 2010 Plan. In addition, our Board of Directors believes that our interests and the interests of our shareholders will be advanced if we can continue to offer our employees, non-employee directors and consultants and advisors the opportunity to acquire or increase their proprietary interests in us. Our Board of Directors believes that the increase in the maximum number of shares that may be issued under the A&R 2010 Plan from 3,500,000 to 5,500,000 shares will ensure that we continue to have a sufficient number of shares with which to achieve our compensation strategy.

Shareholder approval is being sought (i) in order to meet the NASDAQ listing requirements applicable to equity plans, (ii) to ensure that compensation attributable to grants under the A&R 2010 Plan qualify for an exemption from the \$1 million deduction limit under Section 162(m) of the Code (see discussion of “Federal Income Tax Consequences” below), (iii) in order for incentive stock options to meet the requirements of the Internal Revenue Code (the “Code”), and (iv) to allow the options granted subject to an increase in the maximum number of shares (the Contingent Options) issued under the 2010 Plan to become effective. Shareholder approval of this proposal will also constitute a reapproval of the 1,000,000 share limitation (which applies to all awards denominated in shares, options and SARs) and \$1,000,000 limitation (which applies to awards denominated in cash) for purposes of Section 162(m) of the Code.

The proposed A&R 2010 Plan is attached as Appendix A to this proxy statement. The material terms of the A&R 2010 Plan are summarized below. This summary is not intended to be a complete description of the A&R 2010 Plan and is qualified in its entirety by reference to the full text of the A&R 2010 Plan.

Material Features of the Amended and Restated 2010 Plan

Administration

The Compensation Committee of AxoGen's Board of Directors (the "Compensation Committee") administers the A&R 2010 Plan and has full power and authority to determine when and to whom awards will be granted, and the type, amount, form of payment and other terms and conditions of each award, consistent with the provisions of the A&R 2010 Plan. In addition, the Compensation Committee can specify whether, and under what circumstances, awards to be received under the A&R 2010 Plan or amounts payable under such awards may be deferred automatically or at the election of either the holder of the award or the Compensation Committee. Subject to the provisions of the A&R 2010 Plan, the Compensation Committee may amend or waive the terms and conditions, or accelerate the exercisability, of an outstanding award. The Compensation Committee has authority to interpret the A&R 2010 Plan and establish rules and regulations for the administration of the A&R 2010 Plan.

The Compensation Committee may delegate its powers under the A&R 2010 Plan to one or more directors (including a director who is also one of our officers) and may authorize one or more officers to grant awards under the A&R 2010 Plan, except that the Compensation Committee may not delegate its powers to grant awards to executive officers or directors who are subject to Section 16 of the Exchange Act, or in a way that would violate Section 162(m) of the Code. AxoGen's Board of Directors may also exercise the powers of the Compensation Committee at any time, so long as its actions would not violate Section 162(m) of the Code. The Compensation Committee's ability to delegate its powers is also limited by the rules of the NASDAQ Stock Market on which AxoGen's shares of common stock are listed.

Eligible Participants

Any employee, officer, consultant, advisor or non-employee director providing services to AxoGen or any of its affiliates, and who is approved by the Compensation Committee, is eligible to receive an award under the A&R 2010 Plan, provided that, in the case of consultants and advisors, such services are not in connection with the offer or sale of securities in a capital-raising transaction and do not directly or indirectly promote or maintain a market for AxoGen's securities. As of April 1, 2016, approximately 124 employees and 5 non-employee directors are eligible to receive grants under the 2010 Plan.

Shares Available For Awards

The aggregate number of shares of AxoGen common stock that may be issued under all stock-based awards made under the 2010 Plan currently is 3,500,000 shares. If this Proposal 2 is approved by the AxoGen shareholders, the total number of shares authorized for issuance under the A&R 2010 Plan will be 5,500,000. In order to comply with Section 162(m) of the Code, the A&R 2010 Plan includes the following limits:

- Ⓢ no person may be granted any share-based award including stock options or stock appreciation rights denominated in shares which in the aggregate are for more than 1,000,000 shares in any taxable year; and
- Ⓢ no person may be granted Qualified Performance Awards denominated in cash greater than \$1,000,000 in any taxable year.

The Compensation Committee will adjust the number of shares and share limits described above in the event of a stock dividend or other distribution, recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of shares, issuance of warrants or other rights or other similar corporate transaction or event that affects shares of our common stock, in order to prevent dilution or enlargement of the benefits or potential benefits intended to be provided under the A&R 2010 Plan.

Types of Awards and Terms and Conditions

The A&R 2010 Plan permits grants of:

- ⌚ Stock options (including both incentive and non-qualified stock options);
- ⌚ stock appreciation rights (“SARs”);
- ⌚ restricted stock and restricted stock units;
- ⌚ dividend equivalents;
- ⌚ performance awards of cash, stock or property;
- ⌚ stock awards; and
- ⌚ other stock-based awards.

Awards can be granted for no cash consideration or for any cash or other consideration as may be determined by the Compensation Committee or as required by applicable law. Awards may provide that upon the grant or exercise thereof, the holder will receive cash, shares of AxoGen common stock, other securities or property or any combination of these in a single payment, installments or on a deferred basis. The exercise price per share under any stock option and the grant price of any SAR may not be less than the fair market value of AxoGen common stock on the date of grant of such option or SAR except to satisfy legal requirements of foreign jurisdictions or if the award is in substitution for an award previously granted by an entity acquired by AxoGen. The fair market value for publicly traded shares is based on certain published market prices and is as determined by the Compensation Committee if the shares are not publicly traded. The term of awards may not be longer than ten years from the date of grant. Awards will be adjusted by the Compensation Committee in the event of a stock dividend or other distribution, recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of shares, issuance of warrants or other rights or other similar corporate transaction or event that affects shares of AxoGen common stock in order to prevent dilution or enlargement of the benefits or potential benefits intended to be provided under the A&R 2010 Plan.

Stock Options. The holder of an option will be entitled to purchase a number of shares of AxoGen common stock at a specified exercise price during a specified time period, all as determined by the Compensation Committee. The option exercise price may be payable either in cash or, at the discretion of the Compensation Committee, in other securities or other property having a fair market value on the exercise date equal to the exercise price. The A&R 2010 Plan provides that the term of any option will be fixed by the Compensation Committee but will not be longer than ten years from the grant date of the option, with limitations on exercise price, term and the amount permitted in any calendar year for stock options so as to qualify as “Incentive Stock Options” under the Code.

Stock Appreciation Rights. The holder of a SAR is entitled to receive the excess of the fair market value (calculated as of the exercise date or, at the Compensation Committee’s discretion, as of any time during a specified period before or after the exercise date) of a specified number of shares of AxoGen common stock over the grant price of the SAR. SARs vest and become exercisable in accordance with a vesting schedule established by the Compensation Committee. The A&R 2010 Plan provides that the term of any SAR will be fixed by the Compensation Committee but will not be longer than ten years from the grant date of the SAR.

Restricted Stock and Restricted Stock Units. The holder of restricted stock will own shares of AxoGen common stock subject to restrictions imposed by the Compensation Committee (including, for example, restrictions on the right to vote the restricted shares or to receive any dividends with respect to the shares) for a specified time period determined by the Compensation Committee. The holder of restricted stock units will have the right, subject to any restrictions imposed by the Compensation Committee, to receive shares of AxoGen common stock, or a cash payment equal to the fair market value of those shares, at some future date determined by the Compensation Committee. If the participant’s employment or service as a director terminates during the vesting period for any reason, the restricted stock and restricted stock units will

be forfeited, unless the Compensation Committee determines that it would be in AxoGen's best interest to waive the remaining restrictions.

Dividend Equivalents. The holder of a dividend equivalent will be entitled to receive payments (in cash, shares of AxoGen common stock, other securities or other property) equivalent to the amount of cash dividends paid by AxoGen to its shareholders, with respect to the number of shares determined by the Compensation Committee. Dividend equivalents will be subject to other terms and conditions determined by the Compensation Committee. Dividend equivalents may not be granted in connection with a stock option or SAR.

Performance Awards. The Compensation Committee may grant performance awards under the A&R 2010 Plan. A performance award may be payable in cash or stock and will be conditioned solely upon the achievement of one or more objective performance goals established by the Compensation Committee in accordance with the A&R 2010 Plan. The Compensation Committee will determine the length of the performance period, establish the performance goals for the performance period and determine the amounts of the performance awards for each participant. Certain performance awards granted under the A&R 2010 Plan may be intended to qualify as "performance-based compensation" within the meaning of Section 162(m) of the Code ("Qualified Performance Awards").

Performance goals must be based solely on one or more of the following business criteria, applied on a corporate, subsidiary, division, business unit, line of business or geographic regional basis: sales, revenue, costs, expenses, earnings (including one or more of net profit after tax, gross profit, operating profit, earnings before interest and taxes, earnings before interest, taxes, depreciation and amortization and net earnings), earnings per share, earnings per share from continuing operations, operating income, pre-tax income, net income, margins (including one or more of direct gross, gross, operating income, net income and pretax net income margins), returns (including one or more of return on actual or proforma assets, net assets, equity, investment, investment capital, capital and net capital employed), shareholder return (including total shareholder return relative to an index or peer group), stock price, economic value added, cash generation, cash flow, unit volume, working capital, market share, environmental health and safety goals, cost reductions and development and implementation of strategic plans, completion of key projects, management succession plans or diversity initiatives. Performance goals may be an absolute measure or a defined change (amount or percentage) in a measure. The measure of performance may be set by reference to an absolute standard or a comparison to specified companies or groups of companies, or other external measures. The Compensation Committee may provide that, in determining whether the performance goal has been achieved, the effect of certain events may be excluded. These events include, but are not limited to, any of the following: items of an unusual nature or of infrequency of occurrence as determined under generally accepted accounting principles, asset write-downs; litigation or claim judgments or settlements; changes in tax law, accounting principles or other such laws or provisions affecting reported results; severance, contract termination and other costs related to exiting certain business activities; and gains or losses from the disposition of businesses or assets or from the early extinguishment of debt.

Stock Awards. The Compensation Committee may grant unrestricted shares of AxoGen common stock, subject to terms and conditions determined by the Compensation Committee and the limitations in the A&R 2010 Plan.

Other Stock-Based Awards. The Compensation Committee is also authorized to grant other types of awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to AxoGen's common stock, subject to terms and conditions determined by the Compensation Committee and the limitations in the A&R 2010 Plan.

Accounting for Awards

If an award entitles the holder to receive or purchase shares of AxoGen common stock, the shares covered by such award or to which the award relates will be counted against the aggregate number of shares available for awards under the A&R 2010 Plan. For SARs settled in shares upon exercise, the aggregate number of shares with respect to which the SAR is exercised, rather than the number of shares actually issued upon exercise, will be counted against the number of shares available for awards under the A&R 2010 Plan. Awards that do not entitle the holder to receive or purchase shares and awards that are settled in cash will not be counted against the aggregate number of shares available for awards under the A&R 2010 Plan.

The A&R 2010 Plan provides that shares covered by an award made under the A&R 2010 Plan (or to which such an award relates) that are not purchased, that are forfeited or are reacquired by AxoGen (including shares of restricted stock, whether or not dividends have been paid on such shares), or that are subject to an award that otherwise terminates or is cancelled without delivery of such shares, shall be available for award again under the A&R 2010 Plan to the extent of any such forfeiture, reacquisition, termination or cancellation. Shares that are withheld in full or partial payment of the purchase or exercise price of any award or in connection with the satisfaction of tax obligations relating to an award will not be available again for grant awards under the A&R 2010 Plan. The A&R 2010 Plan also provides that if shares are repurchased in the open market with proceeds of the exercise price of options, such shares will also not be available again for issuance under the A&R 2010 Plan.

Duration, Termination and Amendment

Unless terminated by the Board of Directors, the A&R 2010 Plan will expire on March 22, 2026. No awards may be made after that date. However, unless otherwise expressly provided in an applicable award agreement, any award granted under the A&R 2010 Plan prior to expiration may extend beyond the expiration of the A&R 2010 Plan through the award's normal expiration date. The AxoGen Board of Directors may amend, alter, suspend, discontinue or terminate the A&R 2010 Plan at any time, although shareholder approval must be obtained for any amendment to the A&R 2010 Plan that would: (i) increase the number of shares of AxoGen common stock available under the 2010 Plan, (ii) increase the award limits under the A&R 2010 Plan, (iii) permit awards of options or SARs at a price less than fair market value, (iv) permit repricing of options or SARs or (v) cause Section 162(m) of the Code to become unavailable with respect to the A&R 2010 Plan. Shareholder approval is also required for any action that requires shareholder approval under the rules and regulations of the SEC or any other securities exchange that are applicable to AxoGen.

Prohibition on Repricing Awards and Award Adjustments

No option or SAR may be amended to reduce its initial exercise or grant price, and no option or SAR may be cancelled and replaced with awards having a lower exercise or grant price. In addition, options and SARs may not be cancelled and replaced with cash or other awards having a lower exercise or grant price than the original option or SAR. However, the Compensation Committee may adjust the exercise or grant price of, and the number of shares subject to, any outstanding option or SAR in connection with a stock dividend or other distribution, recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of shares, issuance of warrants or other rights or other similar corporate transaction or event that affects shares of AxoGen common stock, in order to prevent dilution or enlargement of the benefits, or potential benefits intended to be provided under the A&R 2010 Plan.

Transferability of Awards

Except in certain limited situations permitted under the A&R 2010 Plan, awards (other than stock awards) under the A&R 2010 Plan may only be transferred by will or by the laws of descent and distribution. Under no circumstances may outstanding awards (other than stock awards) be transferred for value.

Other Provisions

The Compensation Committee is permitted to make awards under the A&R 2010 Plan to employees of other corporations who become employees of AxoGen in connection with a merger, acquisition or other corporate transaction in substitution of awards issued to such employee by the other corporation. In addition, all awards issued under the A&R 2010 Plan are subject to any clawback or recoupment policies approved by the AxoGen Board of Directors, as such policy may be in effect from time to time.

Federal Tax Consequences of the Amended and Restated 2010 Plan

The following is a summary of the material federal income tax consequences of receiving awards under the A&R 2010 Plan and is based upon an analysis of the present provisions of the Code and the regulations promulgated thereunder, all of which are subject to change. An individual may also be subject to state and local taxes, the consequences of which are not discussed herein, in the jurisdiction in which he or she works and/or resides. This summary is for general information and does not constitute tax advice.

Nonqualified Stock Options. An individual receiving nonqualified stock options should not recognize taxable income at the time of grant. An individual should generally recognize ordinary compensation income in an amount equal to the excess, if any, of the fair market value of the option shares on exercise of the nonqualified stock options over the exercise price thereof. In general, subject to the limitations set forth in Section 162(m) of the Code and discussed below, we will be entitled to deduct from our taxable income the amount that the individual is required to include in ordinary income at the time of such inclusion. Additional special rules apply if an individual exercises a nonqualified stock option by paying the exercise price, in whole or in part, by the transfer of shares of common stock to the Company.

Incentive Stock Options. An individual granted an incentive stock option will not generally recognize taxable income at the time of grant or, subject to certain conditions, at the time of exercise, although he or she may be subject to alternative minimum tax. If the individual holds the shares acquired upon exercise of an incentive stock option for at least two years after the grant date and for at least one year after the exercise date, upon disposition of the shares by the individual, the difference, if any, between the sale price of the shares and the exercise price of the option will be treated as long-term capital gain or loss. In general, if a disqualifying disposition should occur (i.e., the shares acquired upon exercise of the option are disposed of within the later of two years from the date of grant or one year from the date of exercise), an individual will generally recognize ordinary compensation income in the year of disposition in an amount equal to the excess, if any, of the fair market value of the option shares at the time of exercise (or, if less, the amount realized on disposition), over the exercise price thereof. We are not entitled to any deduction on account of the grant of incentive stock options or the individual's exercise of the option to acquire common stock. However, in the event of a subsequent disqualifying disposition of such shares of common stock acquired pursuant to the exercise of an incentive stock option under circumstances resulting in taxable compensation to the individual, subject to the limitations set forth in Section 162(m) of the Code and discussed below, in general, we should be entitled to a tax deduction equal to the amount treated as taxable compensation to the individual. Additional special rules apply if an individual exercises an incentive stock option by paying the exercise price, in whole or in part, by the transfer of shares of common stock to the Company.

Restricted Stock. A grantee will not be subject to tax upon the grant of an award of restricted stock unless the grantee otherwise elects to be taxed at the time of grant pursuant to Section 83(b) of the Code. On the date an award of restricted stock becomes transferable or is no longer subject to a substantial risk of forfeiture, the grantee will have taxable compensation equal to the difference between the fair market value of the shares on that date over the amount the grantee paid for such shares, if any, unless the grantee made an election under Section 83(b) of the Code to be taxed at the time of grant. If the grantee made an election under Section 83(b) of the Code, the grantee will have taxable compensation at the time of grant equal to the difference between the fair market value of the shares on the grant date over the amount the grantee paid for such shares, if any. (Special rules apply to the receipt and disposition of restricted shares received by officers and directors who are subject to Section 16(b) of the Securities Exchange Act of 1934). We will be able to deduct, at the same time as it is recognized by the grantee, the amount of taxable compensation to the grantee for U.S. federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those sections.

Restricted Stock Units. A grantee will not be subject to tax upon the grant of restricted stock units. Rather, upon the delivery of shares or cash pursuant to a restricted stock unit award, the grantee will have taxable compensation equal to the fair market value of the number of shares (or the amount of cash) the grantee actually receives with respect to the award. We will be able to deduct the amount of taxable compensation to the grantee for U.S. federal income tax purposes, but the deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those sections.

SAR. No income will be realized by a grantee upon grant of a SAR. Upon the exercise of a SAR, the grantee will recognize ordinary compensation income in an amount equal to the fair market value of the payment received in respect of the SAR. We will be able to deduct this same amount for U.S. federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those sections.

Performance Awards and Dividend Equivalents. A grantee will not be subject to tax upon the grant of a performance awards of dividend equivalents. Rather, upon the delivery of shares or cash pursuant to the award, the grantee will have taxable compensation equal to the fair market value of the number of shares (or the amount of cash) the grantee actually receives with respect to the award. We will be able to deduct the amount of taxable compensation to the grantee for U.S.

federal income tax purposes, but the deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those sections.

Section 162(m) Limitation. Subject to a limited number of exceptions, Section 162(m) of the Code denies a deduction to a publicly held corporation for payments of remuneration to certain employees to the extent the employee's remuneration for the taxable year exceeds \$1,000,000. This limit, however, does not apply to qualified performance based compensation under Section 162(m) of the Code. The A&R 2010 Plan is designed to meet the requirements of Section 162(m) of the Code; however, awards granted under the A&R 2010 Plan will be treated as qualified performance-based compensation under Section 162(m) of the Code only if the awards and the procedures associated with such awards comply with all other requirements of Section 162(m) of the Code. We cannot assure you that compensation attributable to awards granted under the A&R 2010 Plan will be treated as qualified performance-based compensation under Section 162(m) of the Code and thus be deductible to us.

Section 409A of the Code. An award may be subject to a 20% tax, in addition to ordinary income tax, at the time the award becomes vested, plus interest, if the grant constitutes deferred compensation under Section 409A of the Code and the requirements of Section 409A of the Code are not satisfied.

Section 280G of the Code. Under certain circumstances, the accelerated vesting or exercise of options or the accelerated lapse of restrictions with respect to other awards in connection with a change in control might be deemed an "excess parachute payment" for purposes of the golden parachute tax provisions of Section 280G of the Code. To the extent it is so considered, the grantee may be subject to a 20% excise tax and we may be denied a federal income tax deduction.

Our Board of Directors, based upon the recommendation of our Audit Committee, has appointed Lurie as our independent registered public accounting firm to examine our financial statements for the current fiscal year ending December 31, 2016 and to perform other appropriate accounting services. PROPOSAL 4 – NON-BINDING ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

We are providing our shareholders with an opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement. This proposal, which is often referred to as a “say-on-pay” proposal, is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”).

Our executive compensation program is designed to attract, motivate, and retain our executive officers, who are critical to our success. As described in the tables included in the sections above entitled “Executive Compensation - Summary Compensation” and “Executive Compensation – Outstanding Equity Awards at 2015 Fiscal Year-End,” as well as our accompanying narrative disclosure to such tables and in “Executive Compensation – Employment Agreements,” and “Executive Compensation – Pension Benefits,” our executive compensation program contains elements of cash and equity-based compensation. We believe our program is designed to align the interests of our named executive officers with those of our shareholders and to reward our named executive officers for the achievement of our near-term and longer-term financial and strategic goals.

Recommendation of our Board of Directors; Vote Required for Approval

Our Board of Directors is asking our shareholders to approve a non-binding advisory vote on the following resolution:

RESOLVED, that the compensation paid to our named executive officers, as disclosed in our proxy statement for the 2016 Annual Meeting pursuant to the rules of the SEC, including the compensation tables and any other related disclosure, is hereby APPROVED.

Though this proposal calls for a non-binding advisory vote, our Board of Directors and Compensation Committee value the opinions of our shareholders and will consider the outcome of the vote when making future compensation decisions for our named executive officers. This proposal will be considered to be approved if it receives “FOR” votes from the holders of a majority of the shares either present in person or represented by proxy and entitled to vote. If you “Abstain” from voting, it will have the same effect as an “Against” vote. Broker non-votes will have no effect.

PROPOSAL 5 – NON-BINDING ADVISORY VOTE ON THE FREQUENCY OF FUTURE NAMED EXECUTIVE OFFICER COMPENSATION ADVISORY VOTES

In Proposal 4 above, we are providing our shareholders with an opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers. In this proposal, we are asking our shareholders to cast a non-binding advisory vote regarding the frequency of future “say-on-pay” votes. Shareholders may vote for a frequency of every one, two, or three years, or may abstain from voting. This proposal, which is often referred to as a “say-on-frequency” proposal, also is required by the Dodd-Frank Act.

Because this proposal calls for a non-binding advisory vote, our Board of Directors and the Compensation Committee may determine to hold “say-on-pay” votes more or less frequently than the option selected by our shareholders (though no

less frequently than once every three years). However, our Board of Directors and the Compensation Committee value the opinions of our shareholders and will consider the outcome of the vote when determining the frequency of future “say-on-pay” votes. In the future, we will provide a “say-on-frequency” vote at least once every six years as required by the Dodd-Frank Act.

Our Board of Directors believes that a say-on-pay vote every three years is most appropriate for a company such as AxoGen, as this will provide an effective way for us to periodically obtain shareholders’ opinions regarding executive compensation and allow adequate time for us to respond to shareholder feedback. We believe a three-year cycle will provide shareholders with time to evaluate the effects of our executive compensation strategies and their impact on our performance, financial, and business goals. By contrast, a more frequent vote might lead to a short-term perspective on executive compensation that is inconsistent with the longer term approach taken by our Compensation Committee and with which we currently view our business.

Before making its recommendation, our Board of Directors considered the arguments in favor of more frequent votes, including increased opportunities for shareholder input and the belief that annual votes might promote greater accountability on executive compensation. After considering the alternatives, our Board of Directors believes that, on balance, a three-year cycle is most appropriate for us. The Compensation Committee intends to periodically reassess this triennial approach and, if appropriate, may provide for a more frequent say-on-pay vote.

Recommendation of our Board of Directors; Vote Required for Approval

Our Board of Directors recommends that shareholders select “EVERY 3 YEARS” on the proposal recommending the frequency of advisory votes on named executive officer compensation. For this proposal, the frequency receiving the highest number of votes from the holders of shares either present in person or represented by proxy and entitled to vote will be considered the frequency preferred by the shareholders. Abstentions and broker non-votes will have no effect. Because this vote is non-binding, our Board of Directors may determine the frequency of future advisory votes on executive compensation in its sole discretion.

ANNUAL REPORT ON FORM 10-K

Our Annual Report on Form 10-K, including financial statements for the year ended December 31, 2015, accompanies, or has been mailed to you immediately prior to, this Proxy Statement. Our 2015 Annual Report on Form 10-K is also available on our website at www.Axogeninc.com/financial-information. If requested in writing by a person solicited by this Proxy Statement, we will provide you without charge a copy of our Annual Report on Form 10-K as filed with the SEC for our most recently completed fiscal year. Such request should be sent to our General Counsel at AxoGen, Inc., 13631 Progress Blvd., Suite 400, Alachua, FL 32615.

“HOUSEHOLDING” OF PROXY MATERIALS

The SEC rules allow a single copy of the Proxy Statement and 2015 Annual Report on Form 10-K to be delivered to multiple shareholders sharing the same address in a manner provided by these rules unless contrary instructions have been received from such shareholders. This practice is referred to as “householding” and can result in significant savings of

paper and mailing costs. Although we do not household for our registered shareholders, some brokers household AxoGen proxy statements and annual reports, delivering a single copy of each to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate copy of our proxy statement or annual report, or if you are receiving multiple copies of either document and wish to receive only one, please notify your broker. We will deliver promptly upon written or oral request a separate copy of our Proxy Statement and/or our 2015 Annual Report on Form 10-K to a shareholder at a shared address to which a single copy of either document was delivered. For copies of either or both documents, shareholders should write to or call our Corporate Secretary at AxoGen, Inc., 13631 Progress Blvd., Suite 400, Alachua, FL 32615, or (368) 462-6800, respectively.

OTHER MATTERS

Our Board of Directors does not know of any other business to come before our 2016 Annual Meeting of Shareholders. If any other matters are properly brought before the meeting, however, the persons named in the accompanying proxy will vote in accordance with their best judgment.

Your cooperation in giving this matter your immediate attention and in returning your proxy promptly will be appreciated.

Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations and other decisions under or with respect to the Plan or any Award or Award Agreement shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive and binding upon any Participant, any holder or beneficiary of any Award or Award Agreement, and any employee of the Company or any Affiliate.

(b) Delegation. The Committee may delegate its powers and duties under the Plan to one or more Directors (including a Director who is also an officer of the Company) or a committee of Directors and may authorize one or more officers of the Company to grant Awards under the Plan, subject to such terms, conditions and limitations as the Committee may establish in its sole discretion; provided, however, that the Committee shall not delegate its powers and duties under the Plan (i) with regard to officers or directors of the Company or any Affiliate who are subject to Section 16 of the Exchange Act or (ii) in such a manner as would cause the Plan not to comply with the requirements of Section 162(m).

Any delegation by the Committee pursuant to this Section 3(b) shall be subject to and limited by applicable law or regulation, including without limitation the rules and regulations of the NASDAQ Stock Market or such other securities exchange on which the Shares are listed.

(c) Power and Authority of the Board of Directors. Notwithstanding anything to the contrary contained herein, the Board may, at any time and from time to time, without any further action of the Committee, exercise the powers and duties of the Committee under the Plan, unless the exercise of such powers and duties by the Board would cause the Plan not to comply with the requirements of Section 162(m).

Section 4. Shares Available for Awards.

(a) Shares Available. Subject to adjustment as provided in Section 4(c) of the Plan, the total aggregate number of Shares that may be issued under all Awards under the Plan shall be **5,500,000**. If any Shares covered by an Award or to which an Award relates are not purchased or are forfeited or are reacquired by the Company (including shares of Restricted Stock, whether or not dividends have been paid on such shares), or if an Award otherwise terminates or is cancelled without delivery of any Shares, then the number of Shares counted pursuant to Section 4(b) of the Plan against the aggregate number of Shares available under the Plan with respect to such Award, to the extent of any such forfeiture, reacquisition by the Company, termination or cancellation, shall again be available for granting Awards under the Plan. Shares that are withheld in full or partial payment to the Company of the purchase or exercise price relating to an Award or in connection with the satisfaction of tax obligations relating to an Award shall not be available for granting Awards under the Plan. For the avoidance of doubt, if Shares are repurchased on the open market with the proceeds of the exercise price of Options, such Shares may not again be made available for issuance under the Plan.

(b) Accounting for Awards. For purposes of this Section 4, if an Award entitles the holder thereof to receive or purchase Shares, the number of Shares covered by such Award or to which such Award relates shall be counted on the date of grant of such Award against the aggregate number of Shares available for Awards under the Plan. For Stock Appreciation Rights settled in Shares upon exercise, the aggregate number of Shares with respect to which the Stock Appreciation Right is exercised, rather than the number of Shares actually issued upon exercise, shall be counted against the number of Shares available for Awards under the Plan. Awards that do not entitle the holder thereof to receive or purchase Shares and Awards that are settled in cash shall not be counted against the aggregate number of Shares available for Awards under the Plan.

(c) Adjustments. In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company or other similar corporate transaction or event affects the Shares such that an adjustment is necessary in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of (i) the number and type of Shares (or other securities or other property) that thereafter may be made the subject of Awards, (ii) the number and type of Shares (or other securities or other property) subject to outstanding Awards, (iii) the purchase or exercise price with respect to any Awards and (iv) the limitations contained in Section 4(d) of the Plan.

(d) Section 162(m) Limitations for Qualified Performance Awards. In accordance with Section 162(m), there are limits on the Qualified Performance Awards that may be granted to an Eligible Person under the Plan in any taxable year. Qualified Performance Awards denominated in Shares are subject to the limit set forth in subsection (i) below, and Qualified Performance Awards denominated in cash are subject to the limit set forth in subsection (ii) below. In no case is a Qualified Performance Award subject to both of the limits set forth in subsections (i) and (ii) below.

(i) Limitation for Qualified Performance Awards Denominated in Shares. No Eligible Person may be granted any Options or Stock Appreciation Rights denominated in Shares for more than **1,000,000** Shares (subject to adjustment as provided for in Section 4(c) of the Plan) in the aggregate in any taxable year.

(ii) Limitation for Qualified Performance Awards Denominated in Cash. No Eligible Person may be granted any Qualified Performance Award or Qualified Performance Awards denominated in cash with a value in excess of **\$1,000,000** (whether payable in cash, Shares or other property) in the aggregate in any taxable year.

Section 5. Eligibility.

Any Eligible Person shall be eligible to be designated a Participant. In determining which Eligible Persons shall receive an Award and the terms of any Award, the Committee may take into account the nature of the services rendered by the respective Eligible Persons, their present and potential contributions to the success of the Company or such other factors as the Committee, in its discretion, shall deem relevant. Notwithstanding the foregoing, an Incentive Stock Option may only be granted to full-time or part-time employees (which term as used herein includes, without limitation, officers and Directors who are also employees), and an Incentive Stock Option shall not be granted to an employee of an Affiliate unless such Affiliate is also a “subsidiary corporation” of the Company within the meaning of Section 424(f) of the Code or any successor provision.

Section 6. Awards.

(a) Options. The Committee is hereby authorized to grant Options to Eligible Persons with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine:

(i) Exercise Price. The purchase price per Share purchasable under an Option shall be determined by the Committee and shall not be less than 100% of the Fair Market Value of a Share on the date of grant of such Option; provided, however, that the Committee may designate a per share exercise price below Fair Market Value on the date of grant (A) to the extent necessary or appropriate, as determined by the Committee, to satisfy applicable legal or regulatory requirements of a foreign jurisdiction or (B) if the Option is granted in substitution for a stock option previously granted by an entity that is acquired by or merged with the Company or an Affiliate. Notwithstanding the foregoing, an Incentive Stock Option may not be granted to any employee of the Company or a subsidiary of the Company who, at the date of grant, owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any subsidiary of the Company, unless the purchase price is not less than 110% of the Fair Market Value on the date of grant.

(ii) Option Term. The term of each Option shall be fixed by the Committee but shall not be longer than ten (10) years from the date of grant. However, an Incentive Stock Option that is granted to an employee of the Company or a subsidiary of the Company who, at the date of grant, owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, or any subsidiary of the Company, may not have a term that exceeds five (5) years from the date of grant.

(iii) Time and Method of Exercise. The Committee shall determine the time or times at which an Option may be exercised in whole or in part and the method or methods by which, and the form or forms (including, without limitation, cash, Shares, other securities, other Awards or other property, or any combination thereof, having a Fair Market Value on the exercise date equal to the applicable exercise price) in which, payment of the exercise price with respect thereto may be made or deemed to have been made.

(iv) Limits on Incentive Stock Options.

Each Incentive Stock Option shall provide that if the aggregate Fair Market Value on the date of grant with respect to which Incentive Stock Options are exercisable for the first time by a Participant during any calendar year, under the Plan or any other stock option plan of the Company or a parent or subsidiary of the Company, exceeds \$100,000, then the Option, as to the excess, shall be treated as a Nonqualified Stock Option.

(b) Stock Appreciation Rights. The Committee is hereby authorized to grant Stock Appreciation Rights to Eligible Persons subject to the terms of the Plan and any applicable Award Agreement. A Stock Appreciation Right granted under the Plan shall confer on the holder thereof a right to receive upon exercise thereof the excess of (i) the Fair Market Value of one Share on the date of exercise (or, if the Committee shall so determine, at any time during a specified

period before or after the date of exercise) over (ii) the grant price of the Stock Appreciation Right as specified by the Committee, which price shall not be less than 100% of the Fair Market Value of one Share on the date of grant of the Stock Appreciation Right; provided, however, that the Committee may designate a per share grant price below Fair Market Value on the date of grant (A) to the extent necessary or appropriate, as determined by the Committee, to satisfy applicable legal or regulatory requirements of a foreign jurisdiction or (B) if the Stock Appreciation Right is granted in substitution for a stock appreciation right previously granted by an entity that is acquired by or merged with the Company or an Affiliate. Subject to the terms of the Plan and any applicable Award Agreement, the grant price, methods of exercise, dates of exercise, methods of settlement and any other terms and conditions of any Stock Appreciation Right shall be as determined by the Committee. The term of any Stock Appreciation Right will be fixed by the Committee but shall not be longer than ten (10) years from the date of grant. The Committee may impose such conditions or restrictions on the exercise of any Stock Appreciation Right as it may deem appropriate.

(c) **Restricted Stock and Restricted Stock Units.** The Committee is hereby authorized to grant Awards of Restricted Stock and Restricted Stock Units to Eligible Persons with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine:

(i) **Restrictions.** Shares of Restricted Stock and Restricted Stock Units shall be subject to such restrictions as the Committee may impose (including, without limitation, any limitation on the right to vote a Share of Restricted Stock or the right to receive any dividend or other right or property with respect thereto), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Committee may deem appropriate.

(ii) **Issuance and Delivery of Shares.** Any Restricted Stock granted under the Plan shall be issued at the time such Awards are granted and may be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of a stock certificate or certificates, which certificate or certificates shall be held by the Company. Such certificate or certificates shall be registered in the name of the Participant and shall bear an appropriate legend referring to the restrictions applicable to such Restricted Stock. Shares representing Restricted Stock that is no longer subject to restrictions shall be delivered to the Participant promptly after the applicable restrictions lapse or are waived. In the case of Restricted Stock Units, no Shares shall be issued at the time such Awards are granted. Upon the lapse or waiver of restrictions and the restricted period relating to Restricted Stock Units evidencing the right to receive Shares, such Shares shall be issued and delivered to the holder of the Restricted Stock Units, unless such issuance and delivery is otherwise deferred to a date authorized by the Committee.

(iii) **Forfeiture.** Except as otherwise determined by the Committee, upon a Participant's termination of employment or resignation or removal as a Director (in either case, as determined under criteria established by the Committee) during the applicable restriction period, all Shares of Restricted Stock and all Restricted Stock Units held by the Participant at such time shall be forfeited and reacquired by the Company; provided, however, that the Committee may, when it finds that a waiver would be in the best interest of the Company, waive in whole or in part any or all remaining restrictions with respect to Shares of Restricted Stock or Restricted Stock Units.

(d) **Dividend Equivalents.** The Committee is hereby authorized to grant Dividend Equivalents to Eligible Persons under which the Participant shall be entitled to receive payments (in cash, Shares, other securities, other Awards or other property as determined in the discretion of the Committee) equivalent to the amount of cash dividends paid by the Company to holders of Shares with respect to a number of Shares determined by the Committee. Subject to the terms of the Plan and any applicable Award Agreement, such Dividend Equivalents may have such terms and conditions as the Committee shall determine, but in no event shall Dividend Equivalents be granted to a Participant in connection with the grant of an Option or Stock Appreciation Right.

(e) **Performance Awards.** The Committee is hereby authorized to grant Performance Awards to Eligible Persons subject to the terms of the Plan and any applicable Award Agreement. A Performance Award granted under the Plan (i) may be denominated or payable in cash, Shares (including, without limitation, Restricted Stock and Restricted Stock Units), other securities, other Awards or other property, and (ii) shall confer on the holder thereof the right to receive payments, in whole or in part, upon the achievement of one or more objective Performance Goals during such performance periods as the Committee shall establish. Subject to the terms of the Plan, the Performance Goals to be achieved during

any performance period, the length of any performance period, the amount of any Performance Award granted, the amount of any payment to be made pursuant to any Performance Award and any other terms and conditions of any Performance Award shall be determined by the Committee. Qualified Performance Awards shall be conditioned, to the extent required by 162(m), solely on the achievement of one or more objective Performance Goals established by the Committee within the time prescribed by Section 162(m), and Qualified Performance Awards shall otherwise comply with the requirements of Section 162(m).

(f) **Stock Awards.** The Committee is hereby authorized to grant to Eligible Persons Shares without restrictions thereon, as deemed by the Committee to be consistent with the purpose of the Plan. Subject to the terms of the Plan and any applicable Award Agreement, such Stock Awards may have such terms and conditions as the Committee shall determine.

(g) **Other Stock-Based Awards.** The Committee is hereby authorized to grant to Eligible Persons such other Awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares), as are deemed by the Committee to be consistent with the purpose of the Plan. The Committee shall determine the terms and conditions of such Awards, subject to the terms of the Plan and the Award Agreement. Shares, or other securities delivered pursuant to a purchase right granted under this Section 6(g), shall be purchased for consideration having a value equal to at least 100% of the Fair Market Value of such Shares or other securities on the date the purchase right is granted. The consideration paid by the Participant may be paid by such method or methods and in such form or forms (including, without limitation, cash, Shares, other securities, other Awards or other property, or any combination thereof), as the Committee shall determine.

(h) **General.**

(i) **Consideration for Awards.** Awards may be granted for no cash consideration or for any cash or other consideration as may be determined by the Committee or required by applicable law.

(ii) **Awards May Be Granted Separately or Together.** Awards may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with or in substitution for any other Award or any award granted under any other plan of the Company or any Affiliate. Awards granted in addition to or in tandem with other Awards or in addition to or in tandem with awards granted under any other plan of the Company or any Affiliate may be granted either at the same time as or at a different time from the grant of such other Awards or awards.

(iii) **Forms of Payment under Awards.** Subject to the terms of the Plan and of any applicable Award Agreement, payments or transfers to be made by the Company or an Affiliate upon the grant, exercise or payment of an Award may be made in such form or forms as the Committee shall determine (including, without limitation, cash, Shares, other securities, other Awards or other property, or any combination thereof), and may be made in a single payment or transfer, in installments or on a deferred basis, in each case in accordance with rules and procedures established by the Committee. Such rules and procedures may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of Dividend Equivalents with respect to installment or deferred payments.

(iv) **Term of Awards.** The term of each Award shall be for a period not longer than ten (10) years from the date of grant.

(v) **Limits on Transfer of Awards.** Except as otherwise provided in this Section 6(h)(v), no Award (other than a Stock Award) and no right under any such Award shall be transferable by a Participant other than by will or by the laws of descent and distribution. The Committee may establish procedures as it deems appropriate for a Participant to designate a Person or Persons, as beneficiary or beneficiaries, to exercise the rights of the Participant and receive any property distributable with respect to any Award in the event of the Participant's death. The Committee, in its discretion and subject to such additional terms and conditions as it determines, may permit a Participant to transfer a Non-Qualified Stock Option to any "family member" (as such term is defined in the General Instructions to Form S-8 (or any successor to such Instructions or such Form) under the Securities Act of 1933, as amended) at any time that such Participant holds such Option, provided that such transfers may

not be for value (i.e., the transferor may not receive any consideration therefor) and the family member may not make any subsequent transfers other than by will or by the laws of descent and distribution. Each Award under the Plan or right under any such Award shall be exercisable during the Participant's lifetime only by the Participant (except as provided herein or in an Award Agreement or amendment thereto relating to a Non-Qualified Stock Option) or, if permissible under applicable law, by the Participant's guardian or legal representative. No Award (other than a Stock Award) or right under any such Award may be pledged, alienated, attached or otherwise encumbered, and any purported pledge, alienation, attachment or encumbrance thereof shall be void and unenforceable against the Company or any Affiliate.

(vi) **Restrictions; Securities Exchange Listing.** All Shares or other securities delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such restrictions as the Committee may deem advisable under the Plan, applicable federal or state securities laws and regulatory requirements, and the Committee may cause appropriate entries to be made or legends to be placed on the certificates for such Shares or other securities to reflect such restrictions. If the Shares or other securities are traded on a securities exchange, the Company shall not be required to deliver any Shares or other securities covered by an Award unless and until such Shares or other securities have been admitted for trading on such securities exchange.

(vii) **Prohibition on Option and Stock Appreciation Right Repricing.** Except as provided in Section 4(c) hereof, no Option may be amended to reduce its initial exercise price, and no Option shall be cancelled and replaced with cash, other Awards or an Option or Options having a lower exercise price than the original Option. In addition, except as provided in Section 4(c) hereof, no Stock Appreciation Right may be amended to reduce its initial grant price, and no Stock Appreciation Right shall be cancelled and replaced with cash, other Awards, or a Stock Appreciation Right or Stock Appreciation Rights having a lower grant price than the original Stock Appreciation Right.

(viii) **Section 409A Provisions.** Notwithstanding anything in the Plan or any Award Agreement to the contrary, to the extent that any amount or benefit that constitutes "deferred compensation" to a Participant under Section 409A of the Code and applicable guidance thereunder is otherwise payable or distributable to a Participant under the Plan or any Award Agreement solely by reason of the occurrence of a Change in Control or due to the Participant's disability or "separation from service" (as such term is defined under Section 409A), such amount or benefit will not be payable or distributable to the Participant by reason of such circumstance, unless the Committee determines in good faith that (i) the circumstances giving rise to such Change in Control, disability or separation from service meet the definition of a change in ownership or control, disability or separation from service, as the case may be, in Section 409A(a)(2)(A) of the Code and applicable proposed or final regulations, or (ii) the payment or distribution of such amount or benefit would be exempt from the application of Section 409A by reason of the short-term deferral exemption or otherwise. Any payment or distribution that otherwise would be made to a Participant who is a Specified Employee (as determined by the Committee in good faith) on account of separation from service may not be made before the date which is six months after the date of the Specified Employee's separation from service (or, if earlier, upon the Specified Employee's death), unless the payment or distribution is exempt from the application of Section 409A by reason of the short-term deferral exemption or otherwise.

Section 7. Amendment and Termination; Corrections.

(a) **Amendments to the Plan.** The Board may amend, alter, suspend, discontinue or terminate the Plan at any time; provided, however, that, notwithstanding any other provision of the Plan or any Award Agreement, prior approval of the shareholders of the Company shall be required for any amendment to the Plan that:

(i) requires shareholder approval under the rules or regulations of the Securities and Exchange Commission, the NASDAQ Stock Market or any securities exchange that are applicable to the Company;

(ii) increases the number of shares authorized under the Plan as specified in Section 4(a) of the Plan;

(iii) increases the number of shares or value subject to the limitations contained in Section 4(d) of the Plan;

(iv) permits repricing of Options or Stock Appreciation Rights which is prohibited by Section 6(h)(vii) of the Plan;

(v) permits the award of Options or Stock Appreciation Rights at a price less than 100% of the Fair Market Value of a Share on the date of grant of such Option or Stock Appreciation Right, contrary to the provisions of Sections 6(a)(i) and 6(b)(ii) of the Plan; and

(vi) would cause Section 162(m) of the Code to become unavailable with respect to the Plan.

(b) Amendments to Awards. Subject to the provisions of the Plan, the Committee may waive any conditions of or rights of the Company under any outstanding Award, prospectively or retroactively. Except as otherwise provided in the Plan, the Committee may amend, alter, suspend, discontinue or terminate any outstanding Award, prospectively or retroactively, but no such action may adversely affect the rights of the holder of such Award without the consent of the Participant or holder or beneficiary thereof.

(c) Correction of Defects, Omissions and Inconsistencies. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any Award or Award Agreement in the manner and to the extent it shall deem desirable to implement or maintain the effectiveness of the Plan.

Section 8. Income Tax Withholding.

In order to comply with all applicable federal, state, local or foreign income tax laws or regulations, the Company may take such action as it deems appropriate to ensure that all applicable federal, state, local or foreign payroll, withholding, income or other taxes, which are the sole and absolute responsibility of a Participant, are withheld or collected from such Participant. In order to assist a Participant in paying all or a portion of the applicable taxes to be withheld or collected upon exercise or receipt of (or the lapse of restrictions relating to) an Award, the Committee, in its discretion and subject to such additional terms and conditions as it may adopt, may permit the Participant to satisfy such tax obligation by (a) electing to have the Company withhold a portion of the Shares otherwise to be delivered upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes or (b) delivering to the Company Shares other than Shares issuable upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes. The election, if any, must be made on or before the date that the amount of tax to be withheld is determined.

Section 9. General Provisions.

(a) Awards in Connection with Corporate Transactions and Otherwise. Nothing contained in this Plan shall be construed to (i) limit the right of the Committee to make Awards under this Plan in connection with the acquisition, by purchase, lease, merger, consolidation or otherwise, of the business or assets of any corporation, firm or association, including Awards to employees thereof who become employees of the Company, or for other proper corporate purposes, or (ii) limit the right of the Company to grant stock options or make other awards outside of this Plan. Without limiting the foregoing, the Committee may make an Award to an employee of another corporation who becomes an employee of the Company by reason of a corporate merger, consolidation, acquisition of stock or property, reorganization or liquidation involving the Company in substitution for a grant made by such corporation. The terms and conditions of the substitute Awards may vary from the terms and conditions required by the Plan and from those of the substituted stock incentives. The Committee shall prescribe the provisions of the substitute Awards.

(b) No Rights to Awards. No Eligible Person, Participant or other Person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Eligible Persons, Participants or holders or beneficiaries of Awards under the Plan. The terms and conditions of Awards need not be the same with respect to any Participant or with respect to different Participants.

(c) Award Agreements. No Participant shall have rights under an Award granted to such Participant unless and until an Award Agreement is issued to, and accepted by, the Participant.

(d) **Clawback Policies.** All Awards under the Plan are subject to the applicable provisions of the Company's clawback or recoupment policy approved by the Board, if any, as such policy may be in effect from time to time.

(e) **No Rights of Shareholders.** Except with respect to Restricted Stock and Stock Awards, neither a Participant nor the Participant's legal representative shall be, or have any of the rights and privileges of, a shareholder of the Company with respect to any Shares issuable upon the exercise or payment of any Award, in whole or in part, unless and until the Shares have been issued.

(f) **No Limit on Other Compensation Plans or Arrangements.** Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other or additional compensation plans or arrangements, and such plans or arrangements may be either generally applicable or applicable only in specific cases.

(g) **No Right to Employment or Directorship.** The grant of an Award shall not be construed as giving a Participant the right to be retained as an employee of the Company or any Affiliate, or a Director to be retained as a Director, nor will it affect in any way the right of the Company or an Affiliate to terminate a Participant's employment at any time, with or without cause. In addition, the Company or an Affiliate may at any time dismiss a Participant from employment free from any liability or any claim under the Plan or any Award, unless otherwise expressly provided in the Plan or in any Award Agreement.

(h) **Governing Law.** The internal law, and not the law of conflicts, of the State of Minnesota, shall govern all questions concerning the validity, construction and effect of the Plan or any Award, and any rules and regulations relating to the Plan or any Award.

(i) **Severability.** If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the purpose or intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction or Award, and the remainder of the Plan or any such Award shall remain in full force and effect.

(j) **No Trust or Fund Created.** Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any Affiliate.

(k) **No Fractional Shares.** No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash shall be paid in lieu of any fractional Share or whether such fractional Share or any rights thereto shall be cancelled, terminated or otherwise eliminated.

(l) **Headings.** Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

Section 10. Effective Date of the Plan; Effect on 2001 Plan.

The Plan was first adopted by the Board on August 16, 2010 and previously amended and restated and approved by the shareholders as of September 27, 2011 ~~and May 13, 2014~~; the Plan, as amended and restated herein, was adopted by the Board on **March 23, 2016**. The Plan as amended and restated herein shall be subject to approval by the shareholders of the Company at the meeting of shareholders of the Company to be held on **May 26, 2016**, and the amended and restated Plan shall be effective as of the date of such shareholder approval. On and after September 22, 2010, no awards shall be granted under the 2001 Plan, but all outstanding awards previously granted under the 2001 Plan shall remain outstanding in accordance with the terms thereof. All grants to non-employee Directors after September 22, 2010 shall be made solely under the Plan.

Section 11. Term of the Plan.

The Plan shall terminate at midnight on **March 22, 2026**, unless terminated before then by the Board; provided, however, that no Qualified Performance Award may be granted under the Plan after the fifth year following the year in which the shareholders of the Company approved the Performance Goals, unless and until the Performance Goals are reapproved by the shareholders. Awards may be granted under the Plan until the earlier to occur of the date of termination of the Plan or the date on which all Shares available for Awards under the Plan have been purchased or acquired. As long as any Awards are outstanding under the Plan, the terms of the Plan shall govern such Awards.
