## EXHIBIT INDEX

<u>Exhibit No.</u>	<u>Description</u>
99.1	Press Release of LecTec Corporation, dated September 6, 2011.

**LecTec Corporation Announces Shareholders Meeting  
to be Held September 27, 2011**

September 6, 2011

TEXARKANA, Texas—(BUSINESS WIRE)—**LecTec Corporation (OTCBB: LECT)** announced today that its 2011 annual shareholders meeting will be held on Tuesday, September 27, 2011 at 3:30 p.m. Central Daylight Time at the Marriott Minneapolis West, 9960 Wayzata Boulevard, St Louis Park, MN 55426 (Hwy 394 & Hwy 169). The U.S. Securities and Exchange Commission (“SEC”) has declared LecTec’s Registration Statement on Form S-4 effective, allowing LecTec to immediately mail the Proxy Statement/Prospectus describing the matters to be voted upon at the meeting, a Proxy Card enabling shareholders to indicate their vote on each matter and other information concerning LecTec and its proposed merger with AxoGen Corporation. Shareholders will also be provided the opportunity to listen to the meeting electronically, with details to be provided in the Company’s Proxy Statement/Prospectus and prior to the annual meeting on its website.

Greg Freitag, LecTec’s CEO stated: “We are excited to be through the registration process and now provide the LecTec shareholders with the opportunity to make their decision as to the future of LecTec. In anticipation of a positive vote for the merger with AxoGen, Karen Zaderej, CEO of AxoGen, will attend the meeting to present information regarding AxoGen and answer questions. Karen and I look forward to what we believe will be a successful future for everyone involved in both companies.”

**About LecTec Corporation**

LecTec is an intellectual property licensing and holding company whose primary strategy is to pursue a merger to leverage its cash asset and improve shareholder value and liquidity. The Company has identified AxoGen Corporation as a candidate to fulfill this strategy through a merger. LecTec’s intellectual property portfolio contains domestic and international patents based on its original hydrogel patch technology and patent applications on a hand sanitizer patch. The Company also has a licensing agreement, with Novartis Consumer Health, Inc. (“Novartis”), under which the Company receives royalties from time to time based upon a percentage of Novartis’s net sales of licensed products. LecTec has settled its previous patent infringement legal action against five defendants and on May 9, 2011 sold a significant portion of its hydrogel patch intellectual property to Endo Pharmaceuticals Inc. Such actions have ended LecTec’s current pursuit of legal action regarding its intellectual property. LecTec’s anti-microbial hand sanitizer patch is intended to be dry, thereby rendering the patch harmless in the event that it is licked, chewed, or exposed to the eye. An initial prototype of the hand sanitizer patch has been developed and the Company is exploring the engagement of a strategic partner to complete its hand sanitizer patch development. An effort to monetize the remainder of LecTec’s intellectual property has been ongoing, however, additional value, if any, is not expected to be material.

LecTec was organized in 1977 as a Minnesota corporation and went public in December 1986. The Company’s principal executive office is located at 1407 South Kings Highway, Texarkana, Texas 75501, its telephone number is (903) 832-0993, its corporate internet website is [www.lectec.com](http://www.lectec.com), and the Company’s common stock trades on the Over-the-Counter Bulletin Board under the symbol “LECT.”
